

DaVinci Slate - Features and Benefits

Features	Benefits
<ul style="list-style-type: none">Made from superior molds and materials: State-of-the-art polymer chemistry and advanced manufacturing technology.	<ul style="list-style-type: none">LongevityLightweightPolymer does not change over timeNo water absorption – eliminates freeze/thaw issuesResistant to hail damageWill not chip or breakHigh definition details
<ul style="list-style-type: none">Approximately one half the installed cost of natural quarried slate	<ul style="list-style-type: none">Substantial cost savings
<ul style="list-style-type: none">Made from 100% virgin resin blended with fire retardant and embedded UV protection (no recycled materials)	<ul style="list-style-type: none">High level of quality control on raw materialsConsistency of product quality across manufacturing runsColor-fastness
<ul style="list-style-type: none">½-inch thickness on butt end	<ul style="list-style-type: none">Replicates the look of very high-end slate tilesAllows for more detailed edgesIncreases visibility of details from ground level (improved realism)
<ul style="list-style-type: none">Multiple shingle widths (5) in standard product offering	<ul style="list-style-type: none">Various widths break up “man-made” lookRandom pattern adds visual interest and heightens designReduces the need to cut shingles (gable end)
<ul style="list-style-type: none">4” Turret Shingle	<ul style="list-style-type: none">Makes roofing architectural details easierReduces cuts needed on turretsMore finished look
<ul style="list-style-type: none">Factory-collated color blends and widths (19 earth tones form 7 traditional color blends and 2 solid colors)	<ul style="list-style-type: none">Creates the look of a hand sorted slate roofEmulates the full range of natural slate colors with non-repeating appearanceOffers a design homeowners might not be comfortable creating on their ownInstaller isn’t responsible for creativityLow waste during installationDecreases labor time on the jobEliminates contractor responsibility for blend pattern

DaVinci Slate - Features and Benefits

<ul style="list-style-type: none">• Custom colors available	<ul style="list-style-type: none">• Variety of choice
<ul style="list-style-type: none">• Lightweight (1/3 the weight of quarried slate)	<ul style="list-style-type: none">• Doesn't require extra roof support – fits most re-roof situations• Easy to handle for installer
<ul style="list-style-type: none">• Cuts with a knife• Nails with a coil gun	<ul style="list-style-type: none">• Less labor time• Easy to use• No special training
<ul style="list-style-type: none">• Can be laid in straight or staggered coursing	<ul style="list-style-type: none">• Custom look
<ul style="list-style-type: none">• Embedded UV protection	<ul style="list-style-type: none">• Very little fade over time
<ul style="list-style-type: none">• Class A fire retardance (with 30 pound felt)—ASTM E 108 certified	<ul style="list-style-type: none">• Highest fire rating possible for a roofing material• Enhanced safety and security• An approved and preferred shingle within some cities and subdivisions nationwide
<ul style="list-style-type: none">• Class 4 impact resistance—UL2218 certified	<ul style="list-style-type: none">• Highest rating possible for a roofing material• May qualify homeowner for discount on homeowners insurance
<ul style="list-style-type: none">• Miami Dade Acceptance—NOA 06-0308.03	<ul style="list-style-type: none">• High Velocity Wind Zone• Complies with Florida Building Code
<ul style="list-style-type: none">• Up to 110 MPH wind resistance—ASTM D3161 certified	<ul style="list-style-type: none">• Meets code in most areas
<ul style="list-style-type: none">• DaVinci Slate has been tested by the ICC Evaluation Service and complies with ICC-ES Report, ESR-2119.	<ul style="list-style-type: none">• Credible roofing material.• Roof performs to established and known standards.• Complies with the stringent specifications of the codes and test certifications.
<ul style="list-style-type: none">• Maintenance free (natural slate requires continual inspection and repair)	<ul style="list-style-type: none">• Saves worry, time and money• Easy to own and maintain
<ul style="list-style-type: none">• Environmentally friendly	<ul style="list-style-type: none">• Not caustic or hazardous
<ul style="list-style-type: none">• <i>50 Year Warranty</i>	<ul style="list-style-type: none">• Investment protection and peace of mind
